What is MonsterCare?

MonsterCare™ is an affordable, iron-clad arrangement to ensure your Muffin Monster® operates at peak efficiency for the longest period of time. It is a fixed price, fixed-term service plan for the repair and replacement of your grinders. Within 1 year of purchasing a new unit, customers may choose 3 or 5 years of coverage. With a JWCE repaired grinder, customers may purchase a 3-year contract. Eligible grinders include Mini Monster®, Muffin Monster®, Macho Monster and Channel Monster® 2.0 models. Grinders only – for JWCE's engineered systems and screens please see the Monster PI™ plan.

MonsterCare Benefits

- **Maintenance** - Keep cutter teeth grinding smoothly with genuine Monster parts.
- **Factory Repairs** - All repair work is performed at JWCE - no need to add extra staff for repairs or maintenance, plus no need to store spare parts.
- **FREE Shipping** - Round-trip via JWCE's carrier
- **Fixed Cost** - Same reliable budget each year
- **Priority Status** - Jump to the front of the line
- **Exchange Option** - Receive a newly rebuilt grinder before even pulling the old one
- **Renewable** - Extend in one year increments

Additional charges for motor coverage may apply. This contract does not cover the programmable logic controller, electrical wiring, installation, removal, packaging nor loading. JWCE reserves the right to determine the eligibility of an application, location and/or use of the equipment prior to final acceptance of the service contract. This contract is available for USA facilities only.

Contacts

Please have the **JWCE serial number** ready when you call – it's on the silver tab on the grinder or screen's housing.
