Tired of Using Wood Chippers to Destroy Your Marijuana Waste?

- Too Loud?
- Worried about dangerous exhaust?
- Can't shred wet material?
- Damaged or clogged by rocks and other debris?

Try a Monster Industrial Shredder!

- Quiet electric motor running at low rpms!
- Zero Exhaust fumes!
- Dry or Wet material is no problem!
- Able to grind organic and non-organic material, including rocks, plastic, and other debris!

DESTROY MARIJUANA PLANTS AND LARGE ROOT BALLS WITH EASE

Monster Industrial grinders have two rows of sharp, steel cutters that rotate slowly and with incredibly high torque to turn large troublesome solids into small pieces. They are powered by quiet, electric motors, transmitting zero gas and exhaust fumes. The SHRED series are available with hoppers and stands configured to your specific needs. They can handle wet or dry material shredding it down to meet regulatory requirements.

- 1 Powerful Monster Industrial Grinder
- 2 Quiet electric motor
- 3 Custom Hopper (optional)
- 4 Custom Stand (optional)

Benefits & Features

Easily Meet Marijuana Waste Disposal Regulations

- Easily grinds wet or dry material including entire plants, large root balls, soil, plastic pots or other waste.
- Skip the mixing step, and grind down marijuana waste and non-marijuana waste at the same time.

A Better Alternative to Wood Chippers

- Quiet operation due to powerful electric motors.
- Can be used inside or outside as it transmits zero gas and exhaust fumes.
- Shreds the toughest dry or wet waste easily.
